## BLOSSOM HOUSE SCHOOL (WIMBLEDON) Post 16 provision

We are a specialist independent day school in South West London for children from 3 to 19 years with speech, language and communication difficulties, who are within the average range of cognitive abilities. The school has a unique atmosphere created by its dedicated, highly professional and caring staff. Our large dynamic team provides an integrated package of specialist teaching, speech and language therapy, occupational therapy, physiotherapy and music therapy.

We are seeking to employ a teacher in our Post 16 provision, ideally with experience of teaching Functional Skills and Workskills BTECs. Clear spoken English is essential because of our children's language difficulties.

Salary is according to experience. Starting date September 2014.

**Please email the school with your CV for more information and an application form.**
